What medication has your pet already taken today? \_\_\_\_\_

Are you providing us with food for your pet? \_\_\_\_\_

If not, we feed Purina En (an easily digestible food of chicken and rice)

We do sell Hills, Eukanuba and Purina prescription diets that can be charged to your account. We also sell non prescription foods such as Solid Gold and Merrick. These also can be charged to your account.

To protect all pets, each dog & cat must have current vaccinations and an annual comprehensive exam. If your pet is due for any vaccines, they will be given while boarding for the standard vaccine fee. If they have been vaccinated elsewhere and are up to date, please provide us with a written record. Please indicate any additional services we can provide for your pet below.

Bath  Nail Trim  Heartworm Test  Other \_\_\_\_\_

As an authorized owner or agent of the above pet(s), I have read and understand the regulations above. While boarding, I give Hurley Veterinary Hospital all rights to treat the above pet as they feel necessary for any medical problems that may arise. I understand that I accept full financial responsibility for any treatment that may need to be given. I understand that admission and discharge of my pet will occur within regular hospital hours.
